

Dose of Laughter

"A merry heart doeth good like a medicine"

Carter when he was younger would TRY to manipulate by saying, The Bible says....

- you must share your chips.
- kids should sleep with mommy.

Living Hope Baptist Church (1st Church plant)

A few months ago, we established my brother in law Saul as the main leader in Esperanza. This is a result of a temporary shift in our plans which is explained below.

Jonathan, has returned to working in the ministry and is working with Saul in the church. This is an awesome opportunity for both of them to gain experience in the ministry, as they finish their Bible Institute training.

The church is doing well and growing despite meeting outside on Sunday mornings and a cramped "local" or storefront Sunday evenings and Wednesdays.

We are praying that God would provide a permanent meeting place as explained in the property heading of this letter.

Lighthouse Baptist Church (2nd Church plant)

Recently, our family has taken over the leadership of Lighthouse Baptist our 2nd church plant. This is a temporary shift as the main leader, Aurelio has had some family health issues.

It is a great opportunity to be working more directly with Aurelio, and his wife Surasi.

What a joy its been to see Liliana restored after a period of being backslidden. She came over with us to Faro as well to help us. She also is working part time, 1 day a week for the church.

Lighthouse Baptist Church (3rd Church plant)

Carlos and Areli are celebrating their 1 year anniversary this month in establishing the church in Queretaro. Queretaro is a city about a 2 hour drive from our area.

Property Project

The property we were trying to purchase fell through for legal reasons. We are fasting, praying and seeking God's direction. We have \$35,000 USD which is 1/2 of what properties are worth in the area. Because of COVID most want the total amount and are unwilling to negotiate. We KNOW that God WILL provide in His timing the Place and the Provision through his People. Will you invest in the permanent home and future expansion of the church and Bible Institute? Give through the "GIVE ONLINE" tab at www.mwbm.org

Valley Bible Institute

This year, Lord willing we will have our 1st graduating class of the 4 year program. Saul (my brother in law) and Aurelio will be graduating with their Pastoral degree.

Jose, is our 1st student who is attending the institute and serves in his local church 2 hours away on the weekends. This is our vision to expand the institute! We desire to see students learn and on the then serve in their church.

Family News

It's the season of birthdays! Karla will be 12 in April and entering the youth group. She is very active and this year joined a soccer club. She's been training to be goalie.

Alexandra just turned 11. She LOVES horses, and has just this past week decided to try to learn French through and app called duo lingo.

Carter will be 8 in June. He is all boy and always wants to be outside and with friends all the time.

Rebecca has been dealing with shoulder pain and it looks like rotator cuff surgery is necessary. The MS always complicates things. We praise the Lord for good qualified doctors here and insurance that pays 100%.
