Greetings in the name above every name, Jesus Christ.

Anita and I are so thankful for your continued support and prayers. Your prayers and financial support are greatly appreciated, and your faithfulness is a great encouragement. The world in which we live is so vastly different from the world we grew up in. Time seems to pass faster with each passing day. Families are in crisis, life is changing, world events are on everybody's mind, and the recent pandemic has caused many people to live in fear. In times like these I am so glad we have something that never changes. We are thankful for the immutability of God's Word, that is forever settled in heaven and never changes. We are thankful for a God whose love is not only unfathomable, but also unchanging. We are thankful for a Saviour who is the same yesterday, today, and tomorrow. We are also thankful for you, our prayer partners, and supporters. Many of you have been praying for and supporting our family which enables us to do the work that God has called us. This year is our 34th year in full time Christian service as missionaries and many of you have been supporting us for the entire 34 years. We love you, thank God for you, and pray for you.

As America seems to be emerging from the Covid pandemic, churches are once again returning to a full schedule of meetings including missions' conferences. We are so thankful for the doors God has opened to speak in missions' conferences, missions emphasis Sundays, and Bible Colleges. We have been in meetings in Georgia, North Carolina, and Alabama. One of my favorite places to visit is Ambassador Baptist College in Lattimore, NC. I had the great joy to preach in chapel recently. I can whole heartedly recommend Ambassador Baptist College as a Biblically sound place to study God's Word and prepare for a life of Christian service. What a joy it has been to see souls saved, saints encouraged, and men and women surrender their lives to full-time Christian service! We look forward to the future and seeing God continue to save souls. Pray with us that more men, women, and families would surrender their lives to serve God as missionaries. Pray for our upcoming missionary orientation in June where we spend time teaching and training new missionary families as they prepare to begin deputation.

In His Service,

David & Anita Fenley

I must work the works of him that sent me, while it is day: the night cometh, when no man can work.
