Church Planters in  
**Belize**

Dear Partners in Ministry,

March 27, 2022

By the time you read this, the Island Baptist Church will have already held our first services in our new location. The Lord has provided a prominent spot for us, about two hundred yards from the airfield and at the intersection where literally hundreds of vehicles pass every hour. This will give us many opportunities in the future to present the Gospel. Our sign can be read from about a half mile away and will also contain a salvation message.

We have completed almost six months on our mission to plant a Church in San Pedro. Here at Island Baptist Church in the last three weeks, three adults have made professions of faith, accepting Christ as their only hope for Salvation. Amador has returned to his Pastoral duties at Bible Baptist Church in Patchakan, (the Spanish Church which is now operating on its own).

**Please pray about these things:** Pray for extra strength and encouragement for Angelia. I managed to fracture my wrist and elbow, and she has had much extra work to do while caring for me. Please pray for quick and proper healing of my bones. Please pray for the growth of Island Baptist Church, both spiritually and in numbers. We are asking The Lord to provide at least 25 hymn books. **We praise God for providing 15 chairs.** We buy the chairs locally on the island to save import taxes. Bayside Baptist Church of Virginia purchased 5 chairs at \$50 USD each, and an individual supporter provided another 10.

*Thank you for your prayers and support,  
David and Angelia Harper*
