

The Olivers Missionary Helps

Bonnie & Verlin

Dear Pastors and Praying Friends

April 2022

Greetings in the wonderful name of the Lord Jesus Christ our soon coming King. This could be the day or the year that our Lord will come. With this thought in mind **Thank God for saving my unworthy soul on April 23, 1953. Soon have a spiritual birthday.**

It has been almost a year since Bonnie's death and I still miss her a lot. I try to go to Church every day if I can and preach every chance I get.

I have a Pulmonology doctor appointment the 22nd of this month to check the scarring of my lungs. They have recommended exercise with oxygen to remove the scarring.

My Appointment with Hematology Doctor is the 25th to check my leukemia. I see him on every six-month.

Bonnie's death and the loss of income I am faced with the decisions of continuing the same pace of visiting churches in meetings and revivals this year.

Thank God for my supporting churches that is a lot of help with the gas and upkeep of the car. I had to have new tires this week.

I am praying and trusting God that He will supply the needs and open doors for me this next year for His Glory and Praise. I am always looking for churches and pastors that need help.
