

JEB BIDDY MISSIONARY TO THE COUNTRY OF MEXICO.

APRIL- MAY 2022

Dear churches and fellow laborers.

It is with great joy I report to you great news from Mexico! April was a very productive month of growth in Mexico both numerically and in the Lord. Every week I receive new reports from the national pastors of people being saved and their churches growing. I am humbled and honored to be apart of what God is doing in Mexico. In the month of April the Lord blessed in allowing US to being a new church in Guadalajara under pastor Ramon. Brother Ramon is a young man I had the privilege of meeting shortly after he was saved. He began attending Iglesia Bautista El Faro and was one of the first students enrolled in our Bible College. It has been such blessing watching him grow in the things of God. Bro Ramon has recently been married and has now stepped out by faith to do this work for the Lord. Please pray for Pastor Ramon and his family as they build this work and reach Mexico with the gospel.

April was also a exciting month in the states as well. I graduated from Gainesville bible college with my associates degree, and now focus my attention on finishing deputation and getting to Mexico as quickly as possible. I am thankful for my time in college and the tools and training I received, but I am ready and more excited than ever to do the work God has called me to do and by Gods grace and with His strength REACH ALL OF MEXICO WITH THE GOSPEL!

Until his return.

Jeb Biddy.
