MISSIONARIES TO ALLEN, TEXAS

May 2022

Greetings in the lovely name of Jesus! As we reflect on the previous 2 months and look ahead to the next few months it is evident that there is much work to be done for Jesus! It has been a real blessing to see Randy and Oscar continue to attend the church on a more regular basis. Oscar has become more aware of his lost condition, and it is evident that the Holy Ghost is bringing him under conviction often. These 2 brothers need much prayer and Guidance for their young lives, especially Randy as he is raising his brother Oscar, who's 16. Next week we will have a revival with Bro. Keith Voyles, and we have been out in the city canvassing hundreds of homes with the gospel and an invitation to the revival! We are in earnest prayer that God might use this meeting to bring people to Jesus, and the church!

We had to move into another rent house in the city of Anna, which is 25 minutes further from the church. This was a physically challenging move for multiple reasons, but thanks to God it came to pass and we are all settled into our new home. God is really doing a work in our hearts to reach the city of Anna, TX in addition to Allen, TX. As God gives me more clear direction I will share more, but for now we must pray and do everything possible to get the Gospel to the 20,000 people in our new hometown of Anna. This truly is a daunting task, given the lack of laborers for the harvest field. As Jesus said, we MUST pray for laborers!

I would like to address a couple of things concerning our family and our ministry. In light of the many difficulties and challenges relating to our daughter's health, several folks have expressed their concern that we might be thinking about leaving the ministry or quitting on God. This has NEVER been and is NOT now an option for us. No matter how tough the trials of this life may be, where could we go but to the LORD! "Then Simon Peter answered him, to whom shall we go? thou hast the words of eternal life." (Jn.6:68) We will continue.

We have some very URGENT prayer requests/needs; however, I will only share one at this time. Thursday May 12th @ 8am Hannah will have a bone marrow biopsy done at Medical City Children's Hospital in Dallas. There is great concern of Leukemia. We could not do the work we are doing without your love, prayers, and financial support and for that we say THANK YOU! Of course, the greatest need is to see souls saved and lives changed eternally!
