Young Ho Lee Prayer Letter

May 2022

Greeting from the land of morning calm.

As we have noticed the spring season has arrived, and the flowers have blossomed.

Gal. 6:9 says, “And let us not be weary in well doing: for in due season, we shall reap, if we faint not.” I may look as faint and as a weak soldier of the cross, but Christ has risen from the dead, and we can have new strength from the risen Saviour.

According to CNN news 89 years old Ukraine lady said in tears, “I have nowhere to go, I have no relatives.” She does remind me some of the experiences I had during the Korean war. According to the Bible, a small arguments lead to a big arguments. There is possibilities the world war three might take place through Ukraine war. The multitudes of lost souls and thousands refugees are falling into the lake of fire and brimstone. God have mercy on them!!!

Thank God that we have eternal security in Christ by His amazing grace and wonderful love.

My associate pastor, Bro. Yoon, is still preaching and staying faithful in soul-winning. We praise God for his faithfulness. Praise God for His healing power over weak vessels. We do need your prayers to stay without being weary in well doing. Praise God our son-in-law, Ray, finally accepted Jesus as his personal savior. He is serving as US army at the present time in Korea. Please pray that he may spiritually grow so God can use him as a soul winner for God’s glory!

We appreciate your sacrificial supports and faithful prayers.

Because of Calvary,
