Greetings from the MGPI Print Shop,

We are so glad we can write and thank you for all the help you are to this printing ministry. We say it often, but it is so true, you are a vital part of this ministry. We thank you for what you do to help us share the Gospel through the printed page.

Let me start by saying the Lord is blessing us, even through some trials along the way. You helped us purchase the large plate maker, and we are so thankful for it. I confess, it gave us some trouble in the beginning, but your prayers and financial support made it possible to get the "kinks" worked out, and it is working well now. If you would, always remember to pray that the Lord will help us with all of our equipment. A lot of our equipment is far from new, and most of it needs prayer and care!

Having said that, be assured we are still blessed to be producing tens of thousands of high quality Gospel tracts every week. It is such a blessing to know that together we are sending out the message of Christ's love and His saving grace.

I know that you have all heard of the difficulties of the supply chain shipping, and it has hit us as well. The one million three hundred thousands tracts you have prayed about, and help us to print, have still only made one leg of their journey to Honduras. Direct Line Ministries in Statesboro, GA has the shipment now but has been stalled waiting for the correct size shipping container. Thankfully, we have been informed that the container will arrive for them to load Wednesday, the 4th of May. It will be loaded and sent on to port that same day. With the way things are right now it is impossible to know exactly when they will arrive at the port in Honduras, but prayerfully the first part of June. This has been and continues to be much longer than expected, but the Lord knows the schedule far better than we do.

I won't close out the letter on a sad note because the Lord is providing for us to buy paper for the tracts we print. Just keep praying because the price of paper has gone up drastically. Again, God has, is, and will provide according to His great riches in glory.

Praise our good Lord for His blessings!!
