## Missionaries to Argentina

March & April 2022

Dear Supporting Church and Prayer Partners,

Greetings from Argentina! The Bible says in Acts 11:20-21 "And some of them were men of Cyprus and Cyrene, which, when they were come to Antioch, spake unto the Grecians, preaching the Lord Jesus. And the hand of the Lord was with them: and a great number believed, and turned unto the Lord." It is wonderful to serve the Lord! What a privilege we have to preach the gospel, which is the power of God that saves, transforms, and changes lives.

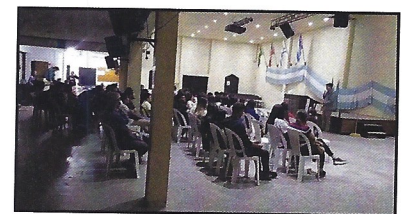

One day while going soul winning from house to house, a man yelled at us and ran us out of his house, but his neighbor came outside and started talking to us. The neighbor, whose name is Nestor, was very eager to hear the Word of God. I shared the gospel with him, and then Nestor accepted Christ as his Savior. Since then, he has been faithful in church and has not missed one Sunday. His life has been changed and transformed by the power of the gospel. He also wants to bring all of his family to church. Praise the Lord! God continues to change lives and work in peoples' hearts.

We continue to go soul winning in the city of Termas de Rio Hondo, a city of 60,000 people. Thank you for your prayers. God continues to open doors to start the church in Termas. We found a place that we hope to rent and start the church. It is in a central location that is close to many neighborhoods. Please keep praying that we can rent that storefront and start the church in Termas. Please pray that many souls will be saved for His glory.

We are also helping in the church that my father is pastoring by going soul winning, bringing people to church, and working in various ministries of the church. Easter week, I was able to preach to the teenage group and 70 young people heard the Gospel.

We appreciate your prayers for Argentina; the country is going through a difficult time. There is a lot of inflation growing month to month. Every week prices change, and people try to buy everything in advance because of the inflation. The Argentine peso is worth less every month and poverty keeps growing.

Thank you for your faithful prayers and support.

We pray that God will richly bless you in the days ahead.
