CAUDILL
PRESIDENT & GENERAL DIRECTOR

June 2022

Dear Friends and Co Labourers,

It is hard to believe it has been eight years since Cassie and I left the pastorate in order to serve with Macedonia World Baptist Missions. Many of you have partnered with us from the very beginning for which we are so very grateful. Please know we do not take your partnership for granted and pray for you regularly. We are honored to be a part of your missions family. We thank you from the bottom of our hearts for your prayers and faithful support. Only eternity will reveal the true worth of our labors together.

Just since our last prayer letter our travels to “fan the flame of world evangelism” have taken us through North and South Carolina, Illinois, Tennessee, Virginia, West Virginia, Maryland, Pennsylvania, our home state of Georgia, and even to our nation's capitol in Washington, DC. We praise the Lord for safety on the roads! We also praise the Lord for open doors to assist pastors in challenging churches to do more to reach the world with the Gospel. Many seeds have been sown, and we are trusting the Lord for the harvest.

We have also been busy here in our home office. We have just finished hosting the Georgia Youth Fellowship where eight church youth groups were represented. Not only did it prove to be a great time of fun and fellowship but also a time of great contemplation as well. Each of us who attended were challenged to give our lives in service to the Lord. We are already looking forward to hosting the fellowship again in the spring of 2023. Please help us pray that God would raise up another generation of missionaries.

We are excited for MWBM to host the “Reach the World Youth Conference” on Saturday, June 18. Registrations continue to come in, and we are planning, preparing, and praying for a life changing day. Several MWBM missionaries will be teaching and preaching. We pray this day will prove to be a great catalyst for labourers in the Lord's harvest. For more information log on to mwbm.org or call our conference director Brother Nathan Saunders at 406-360-9392. Cassie and I both look forward to seeing you here!

I am thrilled that within the next few weeks we will be having two different interviews with potential MWBM missionaries: one for the New England area and another for the Western USA. Truly the hour is late, and the need has never been greater. Will you go that the world might know the Saviour? If not you, who? If not now, when?

Please join me in prayer for our Orientation that will begin Monday, June 20. A great week of training, fellowship, and services is planned for our attending Macedonia families. Our families in the Western USA will also be having their orientation in Buffalo, Wyoming, in July. These are busy days but exciting days. What a thrill to serve God!

Finally, please join us in prayer for labourers. Truly the harvest is plenteous, but the labourers are few. Since the need has never been greater, Cassie and I are determined by God's grace to continue by faith.

For the sake of souls,

Dr. Scott Caudill
