We thank The Lord every time that we think of you. Without your faithful prayers and support, we can do nothing here on the Mission Field of Belize.

Your prayers have helped to produce encouraging results. I want to share with you a text message that I received last week from an attendee of Island Baptist Church.

“Good morning, Pastor... I’m just here to give thanks for all that you and Mrs. Angie did for me, I truly do appreciate it. Thank you for helping me get closer to God...”

We get often get little notes and texts like this. We just wanted to take a moment to recognize that we could not have opportunity to make a difference (Jude, verse 22) without your prayers and support.

Like all new works we do have obstacles to overcome. Regular attendance is sometimes an issue. Many people come to the Church, accept Christ, and begin to grow in faith, and too quickly leave the island for their hometown on the mainland. That’s a great way to spread The Gospel nationwide, but establishing the group of believers here in San Pedro is our main focus. This past Sunday, we had **seven first time visitors**. Our goal as Church planters is to encourage those visitors, and others like them, to continue attending and through Christ to grow in Grace and Truth.

Please pray specifically about this: Please pray that those who come through our doors and are staying in San Pedro will come as regular worship service attendees. Please pray that we will have a solid base of regular attending men and families with a mindset to grow as a Church. Finally, a heartfelt thank you from Angie and I for your prayers for us as we labor.

May God Bless your prayers for us and thank you for support.
