

LIMAS IN NOVA MUTUM, BRAZIL

June 2022

Dear Friends and Partners,

We have recently received several messages and emails from some of you saying you pray daily and weekly for our family, and also specifically for salvation of the names we mention in our prayer letters. This means so much to us! God answers prayers. *We are thrilled to say that Derisvan and his wife Shirley who we requested prayer for in our last letter, got saved recently!* Thank you for praying and please continue to pray for them as they grow in the Lord. They have already been a blessing to our church, and we are so thankful for how the Lord is working.

This last month has been busy, but also full of blessings and answered prayers. We began a special service once a month for the families in church. The messages are on marriage, child training and family relationships. It has been a tremendous blessing and we are seeing fruits from this. There has been a sweet spirit of unity, and the Lord has been bringing several visitors and families to our services. Just this Sunday, we had 7 new visitors at our evening service. It has been an encouragement to us.

We also hosted a Valentines banquet in honor of Brazil's Valentine's Day celebrated this month. It was also a

blessing to our church couples who attended. In a world that does not value marriage and family, our goal is to strengthen our church through solid marriages and families. It was a wonderful night and the couples are still talking about it.

With all our hearts we thank you for your prayers and support. Please continue praying for the salvation of Gustavo and Karol, Deusdete and Edilene, and Leane who have been visiting church.

May God bless you richly,

In His service, Alex & Jessica Lima
