## April - June 2022 Prayer Letter

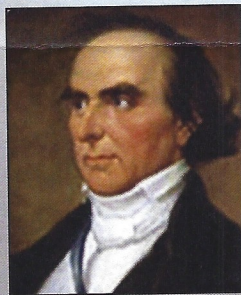

Dear Pastor and Friends,

*"We give thanks to God always for you all, making mention of you in our prayers;"* I Thessalonians 1:2.

May 31st 1978, the day after graduating from Tennessee Temple University, I began the ministry that God had laid upon my heart. Florence and I were married that August; and now 44 years later, we are still determined to finish the work He has called us to do. Millions of tracts later, souls saved and churches planted, that work will be finished for us when our Lord comes back or we are physically unable to continue. Your faithful support and prayers has made that possible. I believe that every dime of support that you have given has helped to carry out this monumental task and that every soul saved is credited to your account.

Why do we do this? The answer is, I believe, that the power of the Word of God can reach and save any soul. The Great Commission was given by our Lord to every Christian, and Gospel tracts are the easiest way to carry out that charge. If we do not publish the truth, Satan will fill that void with false religions.

The words of Daniel Webster are as appropriate today as they were some 200 years ago: *"If religious books are not widely circulated among the masses in this country I do not know what is to become of us as a nation. And the thought is one to cause solemn reflection on the part of every Christian and patriot. If truth is not diffused, error will be. If God and His Word are not known and received, the devil and his works will gain the ascendancy. If the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will. If the power of the Gospel is not felt*

*through the length and breadth of the land, anarchy and misrule, degradation and misery, corruption and darkness will reign without mitigation or end."* From THE POWER OF THE PRINTED PAGE, by Milton Martin, reprinted by permission.

Around 1440, Johannes Gutenberg invented his printing press. This press changed the world, and knowledge was being made available to everyone. Most importantly was the spreading of the Word of God to the

people. Had the printing press not been invented, history might have been different, and you and I may not have heard the gospel. That is why we must be vigilant about missions and getting the gospel out around the world.

The number 1440 is not only significant historically, but that's the number of minutes in a day. Jesus said in John 4:35, "Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you,

*Lift up your eyes, and look on the fields; for they are white already to harvest."* The harvest truly is ready, and we cannot waste a minute.

Please lift us up in your prayers as we pray for you that Satan will not hinder the work of God.

"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:" II Thessalonians 3:1.
