Travel Plans:

As the Lord has allowed us to gain our full support, we leave for the field on Tuesday, June 21st. We are excited to see what the Lord has in store for our lives as we adjust to living in South Africa. Please remember us in your prayers as we will be going on four flights, over 37 total hours, with 15 (50lb) totes, ten carry-ons, three children, and a great mixture of emotions.

Plans upon Arrival:

We will be hitting the ground running once we land in Port Elizabeth. Upon arrival, we will quickly get into a routine of living in a completely different culture. As we learn how to live in a new culture, we will also begin to bear some enormous responsibilities. As many of you know, Brent Bergey and his family will be heading back to the US to be with Selina and Nathaniel for the first time since March! We will have approximately ten days to settle in and learn what we need to about the church, property management, outreach programs, daily life in South Africa, and many other tasks before Brent and his family head to the States. **We would covet your prayers for our ability to keep the ministry running properly while the Bergey's are in the US.** Thankfully, we will not be alone! Little Fish Ministries teammates Hannah Bennett and Lorna Mitchell have worked with Little Fish Ministries for several years and will help us along the way. Thank you to all who have supported us, prayed for us, and helped us financially throughout our deputation.

Prayer Requests:

- Travel safety for the Womack's and Bergey's
- Recovery for Nathaniel Bergey from chemo
- Little Fish Ministries to receive NPO (non-profit organization) paperwork
