Hold the Fort During our time on deputation, we were greatly helped by a dear brother and his sweet wife. Pastor Don and sister Deb Davis have been in full time ministry in missions, evangelism, and the pastorate, for over 50 years! Together, they not only still preach about 30 mission conferences a year, but they also pastor Grace Baptist Church in Hapton, SC. This year, they asked Haylee and I to come, help with, and preach at their VBS which we joyfully agreed to do. The theme was "Hold the Fort". We had about 20 young people in attendance the first few nights from ages

5 to about 14. On the last night, another church caught wind of the VBS and decided to bring 40 of their young people! We tripled in attendance! Over all, it was a great meeting and the Lord seemed to be working in these little hearts through the preaching of His Word.

NEW TERMINAL!! This month, God has opened up to us yet another port facility to which we can now freely come and go! We have been trying to get into this area now for over two years... praise the Lord!

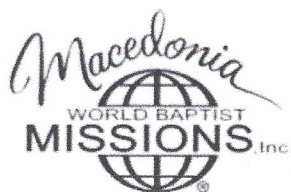

A Little Comfort **2 Cor 7:6** "Nevertheless God, that comforteth those that are cast down, comforted us by the coming of Titus;" This month, we were comforted by the coming of Myles Maher. God has called him to this field and he has been on deputation since January. It was SO WONDERFUL to have him stay with us for over a week and I will greatly miss his company and fellowship in the work! Please pray for him as he works to complete deputation. (**Myles Maher: resting247@gmail.com**)

Montenegro This country literally means "Black Mountain". This small mountainous region has been under such spiritual darkness and has suffered so much bloodshed in the name of religion that it has earned its name. This month, we were able to penetrate that darkness with the LIGHT of the glorious GOSPEL of CHRIST! Please pray for **Hocevar Nemanja**.

Countries Impacted Philippines, India, Russia, Ukraine, Montenegro, Pakistan, Poland, Bulgaria, Ghana, Georgia, Romania, Egypt, Turkey, Sri Lanka.
