## OUR MIRACLE WORKING GOD

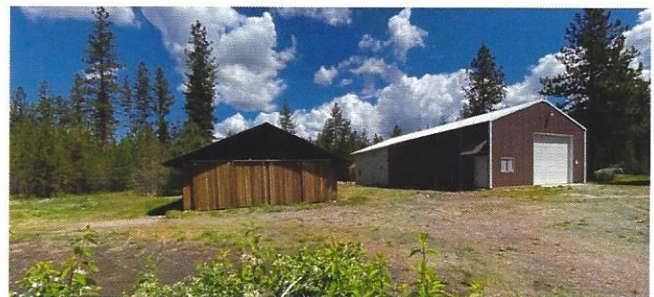

The past few weeks have been unbelievably crazy, but the best kind of crazy ever. We began July with our Freedom Sunday where we were able to charter the Freedom Baptist Church. Later that week, we came across a piece of property that was perfect for our Church. (We have been praying and searching since January) It was 5 acres with a fairly new, fully insulated shop perfect for Church use, complete with power, water, & sewer. It also has an almost completed 2bed/1bath apartment on the back, and another usable outbuilding. As a new church we knew traditional financing would be impossible and this property had owner financing available. So, in July we made an offer with the help of some very generous donations. That offer was rejected. After some brief negotiations, we realized we could never meet their request, so we just gave it over to the Lord. We knew if God wanted us to have something HE would work it out.

Fast forward to the 1st Sunday in August. One of our Partnering Pastors and Friend, Pastor Doug Horton was visiting us and preached for us on Sunday morning for our Worship Service. He preached from Revelation 3:7 *"And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth;"* and the Lord used his message mightily in our Church & myself. I was reminded of giving that land possibility back to Lord and was reminded that whenever He is ready He will provide what we need. While we were traveling home I got a call from the real estate agent. My heart immediately began to flutter especially after the morning service. Her message said that the owners had reconsidered and would be interested in an official offer. After seeking counsel and reconfirming with the

generous donors what we could do we began the biggest step of faith we have ever taken. The Property is selling for \$479,000, which is below market value for our area especially with all the utilities in place. We are putting \$100,000.00 down ( \$9K from our Church Land Fund, & the rest through generous private donations, WHAT A MIRACLE!!!) and have until February to raise \$50,000.00 more for the rest of the down payment. This is an amazing opportunity. This will provide a home for our Church and for our family, where the avg house rental is \$2100 a month. We will also need to raise \$50,000 for renovations to turn this property in to a church. We need to add on Bathrooms, make a nursery, buy chairs, paint walls, build a snow porch, etc.. The truth is we can't do it alone. We can do all the work ourselves but we need help purchasing the materials. Would you pray about helping us reach this insurmountable goal of \$100,000 in 6 months?

We are praying for God to do something mighty and show our little Church that we serve a BIG GOD. Please pray for us and consider helping us do the miraculous for the cause of Christ in the Frontier of the NorthWest.
