June/July 2022

Dear Pastor and praying friends,

We greet you once again in the lovely name above all other names, our Lord Jesus Christ.

We have had a busy summer and have enjoyed preaching in several different churches and states. I have preached in different Hispanic churches as well, and those that know me know I really enjoy that.

I was blessed to travel to Ohio and preach a Family Revival for the Chacon family. They are missionaries with Macedonia and are just about to celebrate their one year anniversary in their new Hispanic work. The Lord has blessed them with a number of good families that are faithful and helping to reach others with the Gospel.

As you know, with fuel prices so expensive, it makes the cost of travel much higher. I am so thankful the Lord continues to provide for us to carry the Gospel. Airline tickets are also higher than they have been in a long time. The Lord willing, I will be flying to Mexico on August 8th for a National Pastors Conference. I hope to share with you in our next prayer letter how the Lord has blessed in that meeting. Please pray for that week of meetings and that the Lord will greatly bless and encourage the hearts of the pastors and all who attend.

We are hoping and praying that the Lord will open the doors and provide a way to make one or two more trips to Central America this year. It is so thrilling to see how the Lord is using our MWBM missionaries on these fields.

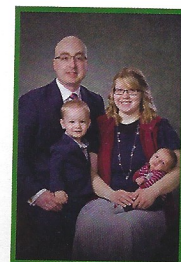

I know many of you have prayed for, and some have given, to help print the one million, three hundred thousand tracts going to Honduras. Thank you all so very, very much!

This shipment of tracts was delayed longer than any shipment we have ever made. That being said, praise the Lord they are there now in the

hands of the missionaries! Now pray as they are shared with other missionaries and churches throughout Honduras. Pray that many souls will be saved and that God will receive the glory due His precious name.

If you don't know them, let me introduce the Thomas Hector family, missionaries with MWBM. They are on deputation and at a little over 60% of their needed support to go to Guatemala. The Lord is greatly blessing them. Please pray for them and if you are looking for a good, hardworking family to carry the Gospel from your church to Guatemala, check out their website and video at www.hectorfamilymissions.com

Once again, thank you from the bottom of our hearts. You are a big part of everything we are able to do for the Lord.
