

LIMAS IN NOVA MUTUM, BRAZIL

August 2022

1 Corinthians 15:57

“But thanks be to God, which giveth us the victory through our Lord Jesus Christ.”

This month we celebrated our 3rd anniversary of Hope Baptist Church in Nova Mutum! We are thankful for how the Lord has sustained us, for the many victories He has given, and for each of YOU who have prayed, encouraged, and supported us faithfully through these years. All glory to God for all He has done!

We had a great anniversary service. It is a joy to see the Lord bringing souls to Him. On our anniversary service we had a young man saved. Pray for Italo's growth and for the rest of his

family to be saved. This last week God saved Karol. (Pictured far left in back). She and her husband have been faithfully coming to the services. We had requested prayers for them on our last prayer letter. We had them over to our home and had the privilege to share the Gospel with them and ask them if they knew they were saved. Karol came from a religious family and went to church all her life, but she said she had never heard she could be saved. In the middle of our conversation, she started crying and said, “You mean I can know I am saved? Like right now?” We showed her in the Bible and she prayed and asked God to save her. Her husband Gustavo listened carefully but he said he isn't ready to make that decision. *Will you please pray for him?* Karol came up to us after the service last night and said that she has never felt such joy and peace as she has felt these days! We rejoice! It is so worth it serving the Lord! Thankful He allows us to be part of His work.

On July 3rd, our sweet Lily fell and fractured her right arm in two places. We are thankful that the Lord supplied great medical care for her. Jessica had to go twice to the capital city with her to get treatment, but she healed nicely and had her cast removed last week. We are so thankful for the Lord's provision and protection. He is good!

Thank you for partnering with us in bringing the Gospel to Nova Mutum. In Christ, Alex & Jessica Lima
