And the Lord, he it is that doth go before thee; he will be with thee, he will not fail thee, neither forsake thee: fear not, neither be dismayed. - Deuteronomy 31:8

As we are wrapping up furlough, we can't help but think of how greatly God has blessed this summer. The Lord has kept us safe as we traveled from the east coast out to the west coast and back. **We are returning to Palma next Thursday, September 1 and we are excited to return to the ministry there.**

We have had a busy summer and enjoyed being with and updating some of our supporting churches this summer as always we cannot thank them enough for their faithful prayers and support that they have provided over the last 6 years of our ministry. We look forward to our next furlough when we will be able to be with many more of you. The Lord gave us some great meetings with many new churches. We know of a few of them that have partnered with us and we praise the Lord for that.

Since being gone from Palma, 2 families that have been attending services have expressed interest in joining our church family. Please pray with us as they continue to grow and that we can be a blessing to them as well.

Upon our arrival, the kids will be starting school, I will be teaching a new Bible institute class to a few of the church members and we will be getting back into our schedules. I am excited about this opportunity to teach and I am praying that the Lord will use this ministry to plant more churches in Spain in the future.

Please pray for the Bullock family, our ministry partners, as they are now on their furlough updating their supporting churches and for our family as we handle the ministry in Palma in their absence.

We also have some special prayer requests of which we would ask you to pray with us. We will be without a vehicle when we return as our previous car died right before we left. Please pray the Lord will provide the funds for a vehicle. Second, we ask that you pray with us regarding our support. We had hoped for an increase while on furlough, so please pray that God will provide us with more support to help with our growing ministry. Then we ask you to pray for the new church we will be planting in the city of Manacor. We will be searching for a new building to meet in as we reach that city with the gospel.

Again, thank you for your prayers this summer as we traveled across the US. We have enjoyed our time in the states, but we are looking forward to returning home to where God has called us.

In His Service,

Jason, Jessica, Colton, Megan and Madison Stanley
