Pastor Darrell Worley

First, we apologize we are behind on this prayer letter. We are not sure where to begin! God has been good through the struggles and has blessed us so much over the past few months. Our last prayer letter left off with Dorothy being taken to Washington with her daughters after staying with us for a month. She is doing well and making great progress in her recovery. Her home needed major work and needed to be sold. God had laid it on our heart to purchase it. However, the cost of the house would be much higher than we could ever afford but we took it to Jesus! We offered what we could afford, and our offer was accepted. The process of getting the house into our hands was quite the ordeal with lots of work, patience, and prayer. The phrase "stand still and let God move" was a constant reminder to just let God be God and fight the battles for us! We are now in our own home, and it is being used consistently for the ministry. We were blessed to be able to have Evangelist Paul Schwanke come and preach our revival meeting in May and were challenged in our walk with the Lord. We were also in the middle of looking for a new location for our church family to meet in our last letter. Many of you gave sacrificially to this endeavor, and we are thrilled to report that God has provided a wonderful new building that God placed in our lap at the last minute. We purchased it, began updating it, and began relocating immediately. The building is a little smaller than our previous place but has great potential for growth. God is always faithful and always comes through in his timing and in his way. Thank you to everyone who helped make this happen for us. Again, without so many people who have been so faithful to the Lord though our ministry this would not have happened! That brings us up to the week after our first service in the new location. We had Vacation Bible School! Shalom Baptist Church in New York took a mission's trip out here to Las Cruces to help with our VBS and did so much more! The Mills, Chittleys, and Warner girls came out and got right to work with our church with outreach, decorating, puppeteering, cooking, cleaning, and even working around our home! We had 34 children come and had three salvations! Praise the Lord! It is all worth it for just one more soul. Beyond the work that Shalom did was the encouragement that they gave. Thank you to all of Shalom for being such a blessing to us and our church. We know that all of Shalom could not be here, but many prayed and gave financially to make this trip happen from the bottom of our hearts, thank you!

The end of July Nehemiah, Caleb's brother, is getting married to Anna and we are so excited to see what God has planned for them. Joy's brother got engaged and we will have another wedding next year to celebrate Micah and Harley.

With so much going on it is easy to get caught up in doing the ministry that we forget to focus on our daily walk with the Lord and on family. God is teaching us that during all the busyness, to not forget the important things and to keep the main thing the main thing. Our prayer is that the Lord find us faithful and that we will remain teachable. Please pray for us as we continue to preach and teach the good news of the Gospel, and that our people would grow and have a passion for souls and service to our King.

In His Service and For His Glory,
Caleb and Joy Worley

OUR NEW ADDRESS: 4039 Lilac Dr. Las Cruces, NM 88005

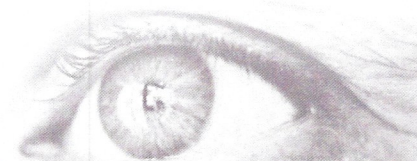

Field Goals:
Reaching the Lost
Establishing Local Churches
Developing and Training
Christians

Birthdays:
Caleb's 1/1
Joy's 5/31

Anniversary: 6/2
