# THE CAMPBELL FAMILY

## MISSIONARIES IN QUEBEC

*"God is our refuge and strength,  
a very present help in trouble." Psalm 46:1*

Our world is in trouble. As society moves further and further away from the truth, the more its troubles grow like thorns overtaking a neglected garden. As we seek to bring the lost to Christ and to help the believers grow in Him, we often have to deal with a tangled mess of confusion and lies, and at the same time, guard our own hearts and thoughts from the encroaching worldly influences around us. Many times the problems seem overwhelming, but God's help is always timely and sufficient. We thank you for your help through constant prayers for us and our ministry.

We are thankful to see the hand of God at work in our church family. We continue to have new visitors in our services, and our children's ministry continues to grow as new families attend. Michel, a young man who was saved a couple of years ago, has recently made great progress in his walk with the Lord and has expressed a desire to prepare for the ministry. Please pray for him and for his training in the Word. We are excited to see how the Lord will use him! There is such a great need for laborers here in this harvest, and we pray that God will raise up more laborers for the field here. Please pray with us and consider coming to Quebec to see this beautiful but needy province.

When God is at work, we can expect that the enemy will be at work as well. There are several spiritual battles in our church family right now. Please pray with us that the work of Satan will be defeated through the power of God's Word! Pray also for our evangelism efforts, that souls will respond to the Gospel. A few weeks ago, I spoke to a man in the park who had John 3:16 tattooed on his arm but did

not have a saving faith in Christ. Pray for Frédérique, that this verse will penetrate his heart and bring salvation to him and his family.

Our house renovations are moving forward and we are so thankful for the timely help that God has sent us. My parents have come twice this summer to help, and we had two men from our home church that came for a few days and helped the work progress immensely. We've also had several men from our sister church here in Quebec who have volunteered their time and talents to help us. We are amazed by the generosity of everyone that God has sent and the financial gifts we have received.

We are eagerly awaiting the arrival of our fifth child, who is due the beginning of October. Sarah is doing well but beginning to have more contractions, so the birth may be earlier than we expect. Please pray for her last month of pregnancy and for an easy delivery.

We recently received our new visas, praise the Lord! Normally the renewal process takes a few months, but this time it took a year! The new visas we just received expire in December, so we have to apply to renew them almost immediately. Continue to pray that we can get permanent resident visas. Right now it is extremely difficult to get government paperwork done.

Thank you to all who have given for our parking lot project! We have about 60 percent of the funds needed. We hope to be able to have the work done this fall, but we trust that God will bring it together in His timing. Thank you again for all your prayers and continued support of our family and ministry. May the Lord continue to bless you all abundantly!
