CHURCH
PLANTING

Dear Prayer Partners,

July-August 2022

With the end of summer, we can all look forward to cooler weather and continue serving our Lord and Saviour. As of August 21, we celebrated our second year anniversary serving here in Crestview, Florida. We appreciate all of you as supporters and prayer warriors, and it is our desire that God will continue to bless each of you.

We recently lost two faithful pastors who were personal friends of ours as well as men who loved missionaries: Brother Fred Bedingfield, who pastored Believers Baptist for many years, as well as Brother Kenneth Cofer, long time pastor of Trinity Hills Baptist. These men will be truly missed.

Our USA East missionaries are actively serving in their perspective fields. Ivan and Susan Chacon are doing a great job in Ohio with their Hispanic ministry. Jerry and Denise Smith have been very busy helping churches in various states. Alan and Patti Saunders are presently helping with a church rescue in Illinois. Richard and Maggie Johnson are faithfully serving in the difficult area of Brooklyn, NY.

The end of July, Vision Baptist had a Grace Giving Sunday for our building fund with an offering of around \$8500. Please pray that God will provide a modular building for our worship services. We are still navigating county regulations and waiting for clearance to move forward. If anyone would like to contribute to the church building fund, please send it to Macedonia World Baptist Missions and mark it Hansard building fund.

Our Senior Moments Fellowship had an impromptu get together at our house with plenty of food and laughter to go around. Our door hanging ministry visited over 300 homes during July and August. Mrs. Muse, the pastor's wife here, lost her mother a few weeks ago. She had been the caregiver for almost a year and half. We were privileged to conduct the services for Pastor Muse in his absence.

The preacher's fellowships have grown and are such a blessing. We now have an official name, the *Dual State Independent Baptist Preacher's Fellowship*. We have great preaching and good food at each meeting.

We were privileged to help a local friend get Bibles to the members of an Independent Baptist Church in the Philippines. We appreciate the help of Philippine Pastor Abcede Garcia with whom we worked while serving in Indonesia. Many times just purchasing a Bible can be a financial hardship on those in other parts of the world.

These past two months have been a blessed mixture of ministry and family times. We had a visit from our daughter-in-law with a friend from our home church and their six children. Cathy was privileged to attend our granddaughter's baby shower as well as keep our 3 youngest grands a few days for their parents to celebrate their 15th wedding anniversary.

Health Updates: Over the course of several months, we have been monitoring our liver enzymes which were considerably high. We are thankful that after losing a few pounds they have come down to within 5 points of normal. We are also over one year from Cathy's cancer surgery and covid and thank the Lord she is doing well.

Your faithfulness, love, and prayers to our family are a blessing. Thank You so much.

Looking Unto Jesus,

James and Cathy Hansard
