

THE LOWE FAMILY

YOUR MISSIONARIES SERVING IN THE BAHAMAS

JULY - AUGUST 2022

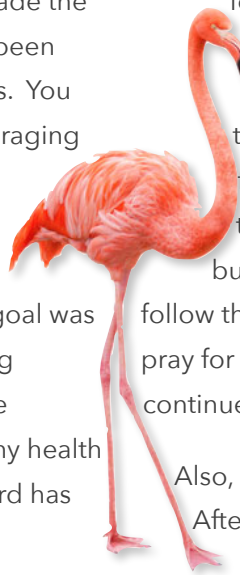

believe that the Lord has directed us to move back to America to work in a church stateside so that I can get some of the medical treatment I need. It was an extremely hard decision to make, but the Lord is in it. I honestly do not know everything the Lord has planned for us next, but will look to Him as we take each step. Our goal is to be transitioned by the end of September if we can get everything finalized. Please pray for strength and wisdom. Please also pray that the Lord will supply the financial need to relocate back to America. We love you dearly and have been so honored to represent you as your missionaries in the Bahamas.

I normally close each letter thanking you for your prayers and financial support. But please understand that I cannot stress enough how your involvement in our family and ministry over these many years have made the difference. Many of you have been supporting us for over 16 years. You have prayed for us, sent encouraging messages and cards, and have sacrificially given so that we might reach the Bahamian people with the Gospel. Our goal was to establish a Gospel preaching church to continue to reach the Bahamian people. Although my health has been poor recently, the Lord has

allowed for us to turn the work over officially to national leadership. In fact, this past Sunday was their first time to run the services entirely on their own. I am very thankful that the Lord allowed for us to be a part of this transition. I very much feel like a parent that is sending their child off to college for the first time. We have taught, and trained, and led by example, but now it is time for them to follow the Lord on their own. Please pray for the church in Nassau as they continue the work that has begun.

Also, please pray for our family. After much prayer and counsel we

PRAYER REQUESTS:

- Pray for the church in Nassau and the new national pastor.
- Pray for us as we transition back to America.
- Pray for Jason's health needs.
- Pray for the financial needs as we relocate back to America.
- Pray that we will be able to stand perfect and complete in all the will of God.
