# July to August News Letter

Dr. Paul Sang and Mrs. Rachel Sang

Dear supporters and prayer partners,  
I'm sorry it has been long time since we posted a news letter. Sorry for the lateness. As I sit here and wonder where this year has gone I cant help but reflect on all that has transpired. On top of all the challenges we have gone through here in Kenya, we thank God for saving the souls. We have seen people getting saved in our church. Our christian schools have changed the lives of so many children. It is through this ministry that many people come to the Lord, after seing their children changed. Our christian care ministry is also going on well with our first orphans manged to join university last month and we thank God for that.

Recently one of our christian schools was approved by the government to offer Juniour Secondary School education, as per the new curriculum thats being rolled out in Kenya. This is a wonderful opportunity to expand our ministry. It gives us chance to reach more children with the word of God. This program will start on January 2023. We are looking forward to God's guidance.

#### Prayer Requests

1. Pray that God may continue giving us strength and expanding ministry.
2. We need God's guidance as we start our Junior Secondary School.
3. We will need three rooms to accomodate the new Junior Secodary School. Each room will need 1200 running feet of building blocks. One block cost \$1. We thank God for one of you who bought 300 blocks. We still need 3300 blocks. ONE-DOLLAR-ONE-BLOCK -PROJECT

Thank you and may God bless you all
