MISSIONARIES TO PERÚ

Have you ever been amazed at God's timing in a certain area of your life? I was recently reading Esther 5 and 6 and was amazed at seeing (again) the precise and perfect timing of God. God uses a sleepless night for King Ahasuerus to turn Haman's plan of hanging Mordecai completely around. And that is just the beginning. We have seen God working in some pretty amazing ways here recently as well. May we be encouraged to keep trusting His perfect timing in our lives!

Prayer and Praise:

-Sara's visa has finally been approved after being in process for more than a year! We are planning to pick it up in Lima and renew a few passports in October. There are several other things we need to renew in the coming months. Please pray we can get everything back in order efficiently.

-Please continue to pray for our co-worker Bethany Homan as she is in the US undergoing cancer treatment.

-Please pray for a good year of homeschooling.

Vacation Bible School

We were able to take advantage of the mid-year school break to hold several activities at the church, one being a VBS. The children learned about the Bible- our Treasure. God blessed with a number of new children coming who live in the neighborhood of the church. We praise the Lord for several parents who attended and heard the Gospel as well. Several of the new children have continued to come each Saturday for the Bible club, and several have also been coming faithfully on Sundays. Praise the Lord! Please pray for fruit as the Word of God is sown in hearts!

Visit from Bro. Bruce Berry

It was an encouragement to have our field director with MWBM visit us for a few days in July. Bro. Berry was able to preach at Redemption (the new church plant) for church services and a youth meeting and at Calvary (the church where we have worked for the past 9 years). Our family was blessed by the fellowship and the thoughtful gifts he brought. On the last full day that he was with us, we went to

visit Alejandrina, whose salvation many of you have been praying for. It was such a blessing to have Bro. Berry there interceding as I was able to share the Gospel with Alejandrina again. **Praise the Lord, she chose to accept Christ!** God answered our prayers! **Please continue to pray for the salvation of Mirtha and Miguel (Alejandrina's daughter and grandson), Jose Luis and his mother Feliciano, and Victor.**

Land

We are waiting for one more document to be able to finish the purchase of the property beside the church. Lord willing this will be completed in the next few days. **Thank you to those who have prayed and generously given!** It is amazing to see how God has provided for the property in just under 4 months and kept it available for us. We look forward to all that God has in store for our church in the days ahead. Please pray for the completion of the sale, and for wisdom to develop this "blank slate" lot. Thank God for His goodness!

Thank you for your faithful prayers and financial support. We could not do what we do without you!
