## Church Planters In Colorado

October 2022

Dear Praying and Partnering Friends,

With great joy, peace, and assurance we write to you concerning the direction God has given to us for the ministry. We spent many days and nights praying for God's to direct us into His perfect will. God has resounding and confirmed that he has not changed his mind about us planting churches in Colorado. Please read the attached letters from Macedonia World Baptist Missions and our Pastor Eric Brown concerning our return to the field of Colorado.

We have reunited with Macedonia World Baptist Missions and are members of the Faith Baptist Church in Staunton, VA where Eric Brown is the pastor. Bro. Brown has been a part of our ministry from the very beginning and God has set our hearts a glow in this renewed endeavor to reach Colorado with the GOSPEL!

We made a trip to Colorado as a candidate for pastor of a struggling church. They asked our opinion, and we told them that a new church plant with a fully supported man would be the BEST plan. All the way there and back God worked on the whole family's hearts confirming this path for the ministry. It is so WONDERFUL to know and be able to do God's will!!!

Please make it a matter of urgent prayer as we begin deputation from ground zero once again, but there is a great CAUSE for this great undertaking. We pray that God would move upon hearts to partner with us once again to see God reach many souls before He returns!

Cultivating For Colorado,

*Teddy Angel*
