

UPDATE HILL

OCTOBER 2022

HOME SWEET HOME

In September we were so busy in the best way and it is all coming together by God's grace. On Tuesday, September 13th we closed on our new Church property and the renovation process began. We had our 1st service on the new property Sunday morning September 25th.

We have had a ton of renovations just to turn this shop into a suitable meeting place, & we will need an addition to be constructed to add bathrooms and a nursery. We will be meeting in the building throughout the construction process, which will present some difficulties but it will be worth it.

In purchasing this property God provided us \$100k for the down payment. We now need \$50,000 for our bathroom addition and nursery. God has allowed us to see \$35,000 of that committed and we are praying that we will see the other \$15,000 being committed and coming in soon. The rough in mechanicals are going in now and the concrete will be poured at the end of this month. We are so thankful God is allowing us to have the

concrete in before the freezing temperatures. Once the concrete is poured, we will begin framing and try to have the addition dried in before the snow. We will be doing the majority of the work ourselves. The men of our church have worked so diligently during this renovation process and we are so thankful for the church family that God has given us.

Now that we are able to have a place of our own, we have been able to expand our weekly schedule and ministry opportunities. This month we will begin adding our Ladies' Bible study, and our midweek our kids Bible clubs. We are also looking forward to adding a teen and young adult Bible study as well.

We have already seen several new visitors since we have begun meeting here and have seen a wonderful change in our community toward our church. Our theme this year has been "Rooted", as we were focusing on becoming rooted in Christ, that we might bring forth fruit for His glory. How little did we know that God had such greater plans than we could ever imagine. He has allowed us to also be physically rooted in our community, that we might reach our region with the gospel of Jesus Christ for His honor and glory. We are so thankful for all of your prayers and support.
