CULT Infiltration **Matthew 23:15** *“Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves.”* In 2020, we got permission from a non-denominational port “ministry” in Florida to board ships with them to get some necessary footage for our ministry video. Upon boarding our first vessel, we found that there was already a “Bible study” taking place onboard. “Are these people with you?” I asked our chauffeur. “No. They are Jehovah’s Witnesses. They lied to the port authorities by claiming they are with us, and now have access to board ships and spread their doctrine.” After the “Bible study” was over, I confronted the leading JW and asked him, “Are you guys doing this type of ministry anywhere else?” to my horror he replied, “Oh yes! We have almost all of the ports covered in the UK and in Australia, and we would like to get into every port in the world if we can!” This month, they have started actively boarding ships right here in Norfolk, VA. It is so SAD that the wicked cults of this world will compass SEA and LAND to make one proselyte, and we are seeing very few Bible Believing Christians surrender their lives to carry the TRUTH of JESUS to this world! Please pray with us for more laborers!

All Over the Hand Every time I meet a person from Michigan, they hold up their hand, point to their palm, and say, “I live here.” This month we traveled all over the “hand” of Michigan for a two week Round Robin Missions Conference where ten churches from all over the state have a different missionary each night. We drove a good distance each day, slept in a different location each night, and preached in a different church each evening. Needless to say, it was a tiring few weeks, but we met SO MANY good people and were used of the Lord to challenge people to become engaged in the Great Commission. We praise the Lord for good response and safety on the road.

Odds and Ends - We took a crew of Filipinos ashore to go sightseeing. They loved visiting the USS Wisconsin and a local nautical museum and welcomed the opportunity for me to explain the Gospel to them. Also had a good conversation with a

Bengali seafarer who was excited to hear about my plans to visit his country next year. We also had our very first Italian seafarer. As the Captain, he was very thankful for the Gospel gift bags we gave his crew. **Each summer and winter we give out gift bags to the crew with warm hats, candy, soap, etc. and of course, tracts and scripture portions along with USB materials. If you would like to give toward this project please direct gifts to the “Support Address” below and label: “Muscott - Gift Bags”. THANK YOU!**
