Vernon, Az 85940

Dear Pastor & Friends

Hello from the White Mountains of Arizona & Greetings in the name of Christ. The Psalmist wrote "The Lord looked down from heaven upon the children of men, to see if there were any that did understand, and seek God." Each day is a constant reminder of Man's need to be saved. Our mission here in Arizona, still remains the same, that all may come to know Christ. I see so many people trying to earn their way to heaven. The Bible is very clear that salvation is through the blood of Christ. For the past number of weeks, I have been preaching on the attributes of Christ. I have seen that people just assume that they know the word. But in reality when you get right to it they do not. Having a form of Godliness does not make us right with God. The world is full of so called god seekers or religious ideas, which are all made up of morally good desires.

When a person really gets saved, our Lord puts the desire and yearning to be more like Jesus. The hunger grows, the spiritual appetite is fed by learning & practicing the Word of God. What a blessing to see people obey the Holy Spirit. One of the men at church told me preacher I think God is trying to show me things in my life that I need to do, would you pray that I will listen & do his will. We need more people to be sensitive to the Holy Spirit & for people to follow God with their lives. We are thankful for the visitors we have been seeing at church. Our area is still seeing an influx of people moving here from California. We still are in need of Sunday School teachers & workers in the church.

Since our last news letter, I finally got a release from the Neurosurgeon. But still having some issues, he wants me to see a neurologist, but as for now it will be Spring of 2023 before they can see me. I am very thankful for the many prayers on my behalf over these past months. God has been good. Continued prayers are appreciated. As spring has come, we have dealt with many wildfires in our area, one of these put us on the Ready, Set. We were waiting for the Go... thankful that did not happen. This fire was very close to us, & thankful we didn't have to leave. As we watched the DC-10s come in drop the fire retardant we were thanking God. Sandy has been planting the garden & we are praying the garden does well, with the increase of food prices & gas. We pray we will have a bountiful garden this year. We appreciate all your prayers for us & for the ministry here in Arizona. Please continue to pray for our adult children & grand children. It is our hearts desire to see them in church & serving God with their lives. Thank you to the ones whom give financially to the ministry here & for your prayers. May God bless each of you.

Yours in Christ,
Luther, Sandy Quintana
