July -September 2022

Dear Pastor and Friends,

The LORD hath done great things for us; *whereof* we are glad. Psalms 126:3 Our God truly is great.

This last August we were stunned to find out that there was no paper available from any of the suppliers we have used in Georgia. Never in the 44 years in the printing ministry did I ever think that this day would come. We had tract orders to fill and the *Focus on the Field* to publish. It is natural for this old human nature to panic in times of trouble but I realized that the supply chain problems have affected everyone. If I have learned anything in the last 44 years, it is that my God can and will supply our needs and He did. Philippians 4:19

After a long search on the web, I came across a paper supplier in New York City that had the paper we needed. However, the paper had to be shipped and would cost twice what we have paid for paper, but we were glad to be able to find and purchase 2.6 tons which is 57,000 sheets. The paper arrived just in time and it is the best paper I have ever run through the press. Praise the Lord.

On September 12<sup>th</sup>, while I was doing my morning devotions at the print shop, the room seemed to be floating and I thought I was about to pass out. At that moment my whole right side began to go numb. I walked over to the mission office and met Jason Hamby coming out of the Mission office and told him how I felt. He insisted that I let him take me to the emergency room. About 4 hours after arriving at the hospital, the symptoms I was having went away. The hospital kept me overnight for observations. After an MRI, the doctor determined that I had a transient ischemic attack (TIA). There was no damage that they could see. Praise the Lord for His healing blessing. I have had no other symptoms. This is proof that God answers our prayers and we thank you for every prayer that you have prayed on our behalf.

It was a blessing to hear that the one million three hundred thousand tracts are finally in Honduras. We started this project just before the Covid restrictions went into place and

all the logistic problems that caused. However, Satan failed again and the tracts arrived.

Please continue to pray that missionaries, Leroy Rolston and Gene Trask, will be able to get them into the hands of other missionaries and pastors there in Honduras. Pray that every tract will find its way into the hands of lost souls in Honduras.

A gospel tract can go where a missionary cannot go and reach individuals that a soul winner may not personally meet. It can create an interest in the gospel, and open doors of opportunity to lead an inquirer to know and accept the Lord Jesus Christ as their personal Savior. -Henry Einspruch, D.D.

Our goal is to produce high quality gospel tracts at the lowest cost possible. As you know and are experiencing also, the cost of everything is going up. Paper, as I've already mentioned, has doubled in cost as well as ink and the chemicals needed to print. We do not charge for tracts but we do ask churches who order tracts to give a donation to cover the cost to help us supply to missionaries free. Please pray with us that our cost will not continue to go up but will come down in the days ahead. God is still in control and we know that He will provide.

Thank you for your continued prayers and support for the ministry. There is power in the Blood and power in prayer. Let us *pray one for another* as the scriptures teach us.

In Christ's Service,

*David & Florence Wade*
