## MISSIONARIES TO OHIO

September/October 2022

Luke 10:2 says, "The harvest truly *is* great, but the labourers *are* few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." This verse can be applied to most of the world. Our prayer is that we see more people rise up and see the need to be missionaries/pastors. This world needs to be reached with the gospel.

Here in Columbus we are seeing an influx of Hispanics coming from several countries. Almost every time we go out for visitation, we meet at least one person or family that has just arrived to Columbus.

When we visit new people the reception is good. Their "desire" is to come to church. But unfortunately, we have found that it is hard for the families that are here to commit 100% to church. The jobs that are available to them are ones that require them to work long hours. And this hinders them to be faithful in the services. We have seen salvations, spiritual growth and lives changed, but the struggle is real for them to be faithful to church.

We are blessed to be able to see a solid core group of families and individuals in the church. We are seeing a desire to learn and grow in the things of Christ. We do have one man and his family who have a desire in the future to start another ministry. I am working with him and teaching him in several areas. Please pray for him and his family to continue to grow, and Lord willing, we could see another ministry started. We have had several pastors call us and desire to reach the Hispanics in their area. But unfortunately, they do not have a man to lead. The more Hispanics that enter the United States the more the need is here to reach them with the gospel. Please pray with us as we desire and work to see the Lord do a work in Columbus with the Hispanics that come in our path.

This coming month we are going to have a Thanksgiving outreach. We will be inviting specific families and friends to have a Thanksgiving service and a meal afterward. Please be in prayer as we try to use this for HIS GLORY.

We thank you for your support for this ministry. We thank God for each one of you. Thank you for your support both through prayer and through your financial giving.

May God Bless,

Ivan and Susan Chacon
