Dear Faithful Friends,

Greetings in the matchless name of our Lord and Saviour Jesus Christ. Praise His name for keeping us safe through 2022.

What a blessing to represent our Lord as we travel! In October, we travelled to Staten Island, New York, where I had the privilege to preach a missions' conference at Liberty View Baptist Church. It was a blessing to worship with the saints of God, as well as, visitors at Liberty. One unique event was the international dinner we enjoyed as everyone brought dishes from various parts of the world. How vastly diverse our world is! Over half have never heard the name of Jesus! We praise the Lord for several young adults and teens who were genuinely eager to learn more about missions around the world. We pray this eagerness would turn into a burden for lost souls, and some would surrender to missions with a desire to see souls saved! May the Lord call missionaries out of this precious church to serve HIM!

One of my favorite fall events is the mission's emphasis week at Ambassador Baptist College. Towards the beginning of November, we represented Macedonia World Baptist Missions to the students at Ambassador Baptist College. The student body at Ambassador truly have a heart for God and a desire to be used of God. The mission's emphasis week is designed to give the student body the opportunity to talk with missions' representatives and discuss missions needs and opportunities with representatives from various mission boards. What a blessing is was to have Anita with me for this week as the ladies are more comfortable talking with her than with male representatives. Ambassador Baptist College is a tremendous place for young people to prepare themselves for God's service. We highly recommend Ambassador Baptist College for anyone who desires doctrinally sound Biblical instruction. We had a great time interacting with some of the most sold-out young people we've ever met. Please help us pray the Lord would call some of these students into missions.

In His Service,

David & Anita Fenley

I must work the works of him that sent me, while it is day: the night cometh, when no man can work.
