*"And the Lord, he it is that doth go before thee...fear not, neither be dismayed" Deuteronomy 31:8*

Dearest Friends in the Ministry of the Glorious Gospel,

What an amazing God we serve as He blesses us because of His grace. 'Tis the season of Thanksgiving and hope to others. We thank God for each of you and pray we can continue to glorify God together.

### God's Grace to the Needy

"Praise the Lord! Hundreds heard the gospel!" Pastor Staub gladly said. At the end of October, we had our Fall Fun Days weekend. What an amazing time we had as hundreds came once again and enjoyed activities together. The most amazing part is that the Lord let me preach the gospel both days and hundreds also took Bibles. It was a blessing reconnecting with Muslim friends I hadn't seen in a while. We pray to see much fruit for His glory.

"Amer's hand was shattered while working on a tire!" Amer's wife sadly said. Amer owns a tire shop and while working on a tire, it exploded, shattering his hand. It was split and fingers were broken. He is steadily healing, and we meet via zoom as it's hard for him to get out. Many gathered as a group and had a special time of prayer for him. He still witnesses for God's glory!

"I saw Amer's testimony, and I want to join the Bible study." Imad from Uganda said. It's funny how internet makes the world a little smaller. Imad was a Muslim and he trusted in Christ. He saw Amer's testimony video and asked for help with the Bible. We sent him lessons and now he joins via video on Sundays. Imad is hungry to learn and wants to get baptized. I talked to a missionary friend in Uganda, and he plans to meet with him to see him baptized! Praise the Lord! Also, please pray for Amer's son as he has been influenced by false teaching.

"His hand is supposed to be paralyzed and now he is raising it up!" Ken gladly said. Ken faithfully attends our Bible study, and his brother-in-law was near death. His sister is a Jehovah Witness and now is steadily listening to the truth. When I visited their home because he is now on hospice, I started sharing my testimony and then started singing a song about Jesus. Ken's brother-in-law had been unresponsive and then he turned his head and started raising his hands. Amazing! Sandy and Emma also came and sang to him and now he is talking some, moving around and eating better! Ken's sister is listening when I tell her Jesus is God and she listened to some short messages I preached. Please pray for her salvation and his healing.

"I will read this and get back to you." A young college student said. The college campus ministry has been a blessing. It's been great sharing God's word with inquisitive listeners and seeing them take tracts and Bibles.

"God's plan from the beginning was the cross." I preached. Brother Bill that helps with our media ministry took the time to record several five-minute messages to put on our website. We will then promote the website through social media where they will be linked to these messages that answer Muslims objections. We are praying this will be used to see some saved!

Pastor Staub and I visited Chad that had been coming to church and he made a profession of faith! Beth is steadily helping the ladies grow in the faith. Keep them in prayer. Joshua prepared a short message and preached it at Silvery Lane. We were so blessed. The church in Egypt with Pastor Girgis still thrives as he started some discipleship classes going through Exodus. Pastor Staub and I also plan to start Basic Bible doctrine classes with new believers.

### Family Matters

Joshua started feeling dizzy and having small seizures this past month. He has some hearing loss and will get a MRI in December. Yet, he has been witnessing to teachers and students at school. He protested against evolution in science class and God used him to stand up for Christ and for truth.

### Think On These Things...

A servant of Christ in Iraq was killed by gunfire. This man saw Muslims saved and growing in the faith. He now sees Jesus. Are you willing to live for Christ daily and give your all to Him?

For the Lamb,
