

September-October 2022

Dear Partners in Ministry,

This time of year has always been a reminder of God's goodness and mercy in our lives as we were saved in October 1962. In September 1979, we were called to preach and, in 1984, ordained for fulltime ministry.

During the past two months Vision Baptist Church has covered about 300 homes with door hangers, and we along with Pastor Muse have been doing weekly door to door witnessing. In September, pastor and his wife took a much-deserved vacation since starting the church over 3 years ago. We were blessed to fill the pulpit and carry out the normal ministry responsibilities while they were away.

Groundwork: Like everywhere, Okaloosa County has many building codes and requirements for new structures. Currently, we are surveying and waiting for the DO on the property. A parking lot must be paved before we can occupy any building we might put up. **Will you pray with us for God's perfect will about purchasing a modular or constructing a metal building? We have been told that acquiring modular buildings at this time, is almost impossible due to a shortage in supply.** If you have information regarding purchasing or construction of buildings, please contact us.

"Go Ye": Go ye, was the theme of the first annual faith promise missions conference of Antioch Fellowship Baptist Church in Spring Hill, Florida. Arriving on Wednesday the 19th, the church families had prepared a delicious meal for everyone. From Wednesday to Friday, the singing by Antioch choir, visiting choirs, and young teens along with power point presentations and missionary testimonies kept our minds on our Lord's divine commission to **Go Ye** into all the world with the Gospel. Three Macedonia families who attended truly blessed our hearts with their singing. Scriptural worship keeps our focus on true repentance and faith led by the Holy Spirit. Our heart's desire is that Antioch Baptist will be a lighthouse in their community and around the world through Faith Promise giving to missions.

Great Grandparents: In September, we became great grandparents twice over. Kensley was born on the 26th, and Jazmine was born on the 28th. Cathy's mom became a great-great grandmother for the first time. Cathy and her sister, Susan, were able to take their mom back to her hometown of Thomaston and to her home church New Friendship for her 90th birthday. They provided lunch, and mom Ruby enjoyed the fellowship of friends she had not seen in several years. The Sunday before her birthday Vision Baptist surprised her with lunch at our house. We are blessed to have had her all these years.

God is still adding to the USA East Team. Brother Noah Gudger has completed his survey trip to New Hampshire and is actively seeking churches to partner with him in this ministry.

We appreciate every supporter and prayer partner. We pray for you often. We are humbled that God is still using us to actively serve in getting the Gospel to those in Crestview, Florida. May God bless as you work to reach your Jerusalem.

Looking Unto Jesus,

James and Cathy Hansard
