2022 — 3rd Quarter Prayer Letter

Greetings in the name of our lovely Lord and Saviour, Jesus Christ!

"Praise ye the LORD.... Let every thing that hath breath praise the LORD. Praise ye the LORD." ~Psalm 150:1 & 6

We have so much to praise the Lord for! We truly do serve a good God and we praise Him for His continued grace and blessings here in Montana! The work continues as we gear up for the winter months. Our services are going well and we have been able to see several new visitors in recent days. As I write this letter, we are preparing to help in the teaching and Preaching in the upcoming Rock of Ages prison revival at the Montana Woman's Prison located here in Billings, MT. This will be coupled with our regular monthly prison service so it will be a very full weekend. Please pray for the inmates that will be attending the services. Pray for the salvation of the inmates that are lost and pray for the inmates that are saved and have a hunger and desire to *"...grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ"*

We were finally able to work it out to have some much needed and well over due updated family pictures made, and as I look at the attached picture, my heart is filled with joy and I am deeply humbled at the thought of just how blessed I truly am! This family you see below is far from perfect (especially the one right smack dab in the middle!) but I would not trade one of the greatest blessings of my life for anything in this world! These lives are so very precious to me and I honestly do not know what I would do without them. It is not only a blessing to have such a wonderful family, but even greater is the privilege to serve the KING of kings and LORD of lords with them right by my side. They are such a help and encouragement in the ministry and I covet your prayers for our family!

As always, I also covet your prayers for the many souls in the largest city in Montana! The 2021 census shows a population of 117,445 for

the city of Billings, and a population of 167,146 for Yellowstone County. This may not seem like many people to some, but for Montana (currently ranked 44th in population) it is a lot, and as far as eternity goes, it is a lot of potential souls that could end up in hell! Please pray for us as we continue to minister in this much needed mission field; please pray for the gospel message to penetrate the hard hearts of many; please pray for the Holy Ghost to have free course and for conviction to overcome foolish pride! God bless you all and thank you for your continued faithfulness!

With the Love of Christ
