

Reaching every nation,
one ship at a time.

An Open Door Revelation 3:8 "I know thy works: behold, I have set before thee an open door, and no man can shut it..." In 2020, God used COVID to open the doors of opportunity for us here in many of the port facilities on the east coast. One of those doors is The Port of Virginia, made up of three separate facilities all along both sides of the Elizabeth River; it is one of the largest container terminals on the east coast. Since March of 2020, seafarers have not been permitted to leave the vessel for any reason while docked in the POV, leaving these men completely unable to visit the US and buy necessary items for their families back at home. This month, the Lord opened those doors. One day, I was taking some Filipinos ashore and two Asian seafarers also jumped in the port transportation vehicle. I assumed them to be Chinese so I greeted them with, "Ni Hao!"... they both were initially surprised, then laughed and said, "I not Chinese...I Korean." I laughed with them and apologized for my presumption. Then, I proceeded to give them Korean Bibles and Tracts and one of them almost yelled, "This is MY LANGUAGE... this is the BIBLE!" I said, "YES! It is! Do you know the Lord?" He then told me that both he and his mother had become Christians, but that they were still praying for his father to be saved. We had a great time of fellowship. That day, I took FOUR groups of men, one after the other, to go shopping... and every time I came back to the gate... there were more men, from all different countries, standing at the gate trying to figure out a way to call a taxi. I had a great witnessing opportunity in the parking lot with two men; one from Croatia, and one from Montenegro. Both gladly received Bibles. Oh, to have more help in the ministry!

Athens Acts 17:16 Now while Paul waited for them at Athens, his spirit was stirred in him, when he saw the city wholly given to idolatry. This ancient Greek city is still the same today! Men are still worshiping "the unknown god"... what an opportunity we have to preach the gospel to them just as Paul did! Please pray especially for **George** and **Senthos!** (Orange uniforms, bottom picture)

Travels This month, we presented the ministry in a Mission Conference in Fort Walton Beach, FL., met with a pastor in Milton, FL. to work on plans for our visit to Bangladesh in February, and spent a few days with Haylee's family in TN. **Thank you for praying!**

Countries Impacted Philippines, China, South Korea, Bangladesh, Greece, Ukraine
