Missionaries to Argentina

September & October 2022

Greetings from Tucuman, Argentina,

We pray that this letter finds you well and serving the Lord. We are excited to let you know what God has been doing here in Argentina with the new church plant, Iglesia Bautista Monte Sion (Mount Zion Baptist Church). At the beginning, we could not find owners of a building or storefront who were willing to rent to a church. Then God opened the doors for a storefront that is right next to the main highway near the fire station, so everyone knows where the church is located. It is wonderful to see how the Lord works everything out. Our first service was on the first week of September. God worked in a great way. We had over 170 people present, and 80 made professions of faith. Praise the Lord! We had over 200 people present in one church services. It is wonderful to see the people growing in the Lord. We try to disciple as many as possible. Many are reading the Bible every day and are praying. God has blessed us with a group of brothers and my father who are helping us and are collaborating with the church.

Thank you very much for praying for us and helping financially to start the church. We have fixed the building, painted it and fixed the lights. We have also purchased chairs, tables, sound products and gospel tracts. We even paid the rent for the building six months in advance. Praise the Lord!

We continue to win souls by going house to house, and we are also discipling many of those who accept Christ as their Savior. The people here are open to listening to the gospel. They are very friendly. They even invite us to their homes and give us food to eat as we share the Word of God with them. It is incredible to see God change lives! I received a call from a man called Lucho. He is a well-known singer in the city who would sing at parties and at all the disco clubs and bars. He was having panic attacks and depression. I visited him and shared the gospel, and he got saved. Now God is working in his life in a great way. He has not had any more panic attacks or depression. He left his music band, and now he wants to serve the Lord. He even goes visiting and soul winning with me.

Please continue to pray that God will give us wisdom and that He will use us for his glory and honor. Pray for Mount Zion Baptist Church, for the brothers and sisters here to grow in the knowledge of the Word of God, and that many souls will be saved! Thank you for your faithful prayers and support, and thank you for being a part of reaching Argentina for Christ.

Yours in Christ,
Joshua and Abi Owens
