Whiles by the experiment of this ministration they glorify God for your professed subjection unto the gospel of Christ, and for your liberal distribution unto them, and unto all men; 2 Corinthians 9:13

I pray that this letter finds you all well. We are praying that all of you have a wonderful holiday season this year with your churches and families. I do apologize for the tardiness of this letter. The Lord has been dealing in our lives in a great way over these past months, and I have been praying for some time and needed clarification from our Heavenly Father before I had the peace to write you again.

With that being said, we need to inform you that God has directed us to leave the field of Spain. We are, of course, heart-broken to leave this place which we love so much. It has been an incredibly painful decision and much more difficult to make than it was to surrender as missionaries.

God has continued to work in a mighty way here, and we pray that we have been able to glorify God with our subjection to His gospel. When we surrendered to the call of missions, almost seven years ago, we came with the anticipation that we would spend our entire lives in the country of Spain. We sold everything that we had, packed our entire lives, left our homes, and never looked back. I can honestly say that, although we have had difficult times on the field, we have loved every minute. It has been the true honor of my life to serve God in this way. I begged the Lord as a child to allow me to be a missionary, and He gave me the desire of my heart.

Though we are incredibly sad to leave this amazing and needy country and the people here, and we do not always understand His will and His timing, I have found comfort in Esther, and we know that God had us in Palma de Mallorca “for such a time as this.” With the help and power of the Lord, we have had the incredible privilege to assist in the great Iglesia Bautista de la Comunidad, and we could not be more proud at all the Lord has done. During our time here, we have been able to see people saved. We have seen thousands receive the gospel, and we trust that the Lord will use that to continue to speak to hearts. The Lord gave me the privilege of teaching the Bible through Sunday School and our Bible institute as well as preaching in services. I also had the opportunity to train the church’s next piano players. We watched God perform an amazing miracle through all of you in the purchase and remodel of our church building. Our church now owns its own building and does not owe a cent. Praise the Lord!

There has been so much more that God has done, but I need to begin wrapping this up. I need to say thank you! Thank you to the wonderful people of Iglesia Bautista de la Comunidad for your time of fellowship and love. Thank you to Markie and Christy Bullock, who, I will unashamedly say, are one of the main reasons that we made it here in Spain. Thank you to our sending church for your constant love and support. Thank you to our mission board for your many years of assistance in allowing us to fulfill the will of God for our lives. Thank you to all of our supporting churches and pastors for your faithfulness and love to our family through the years.

Without all of you, we would have failed. We would have been unable to complete the task that God had set before us if not for your faithful prayers and financial support. We would have been alone and in need, but you sent *once and again to our necessity*. And like Paul, we have been completely honored and count it a privilege to have represented you in the country of Spain.

We are not certain of what the Lord has in store for us in the future. We are uncertain and uneasy, but all we have ever desired in life is to please God with every decision. We have chosen to follow Him with our entire lives and have determined to not allow feelings or difficulties make our decisions. We know the next step is to follow Him in faith, and we are prepared to do just that. However, we are begging the Lord to open the door through which He would have us walk. Our visas expire in January, and we will be staying until then to help in the church during this transition. We ask that you continue to pray for us during this time and that the Lord will keep His mighty hand of protection on our family.

We praise the Lord that the ministry here will continue, and if you would like to continue supporting the church here, I would encourage you to support the Markie Bullock family. They are truly wonderful people with a shared desire to see the Lord do mighty things here in Mallorca and the rest of Spain.

Once again, thank you! Thank you for the incredible sacrifices you have made to assist us in our time in Spain. Thank you for the amazing privilege that you have given us in being your missionaries. Thank you for your love, prayer, and support. We know that the Lord has rewards laid up in Heaven for what you have done in the country of Spain!

In His Service,

Jason, Jessica, Colton, Megan & Madison Stanley
