MISSIONARIES TO PERÚ

Recently, I have been reminded of the truth given in John 15:26-27. Jesus says in verse 26 of the Holy Spirit: "...he shall testify of me." And then in verse 27, God's Word states that "...ye also shall bear witness." What a privilege to know that the Holy Spirit not only speaks to us but also desires to speak through us. May we ever be attentive to His voice so that God can use us to be the mouthpieces that He wants us to be!

Prayer and Praise:

- Salvation of José Luis, Feliciano, Blanca, Victor, Rosa, Mirtha, and Miguel
- Advancements on our children's visa paperwork (Thank the Lord, Sara was finally able to get her renewed visa!)
- Recently two families here have lost loved ones. We know of one person who has been saved as a result. Please pray for comfort and for God to continue to work in hearts.
- Please continue to pray for our coworker Beth Homan and Alejandrina as they battle cancer.

Church News

We are thankful that the Lord continues to allow Redemption Baptist church to grow both numerically and spiritually. Last Sunday morning we had 44 people in attendance. Please pray that God's Word would lodge in hearts and lives so that we would see lives changed and people growing in convictions and Biblical principles. None of us can change people's hearts, but the sweet Holy Spirit can convict of spiritual needs and revive hearts (mine included).

Property

Thank you again to all who have prayed and given towards the purchase of the property beside our building. Lord-willing, we will be signing the final things to complete the purchase on November 3.

Please pray that there are no more delays and that God would give us wisdom as we seek to develop the property. It has been a blessing to be able to use one room on the property (the only constructed part) for our children's class for several weeks. With the additional space, the class is growing in number!

Church Fellowship

In mid-October we were able to hold a night of fellowship and Bible study with the 5 churches in our group here in Tacna. This is the first large group event we have been able to have since the pandemic. It is a privilege to work with a team of pastors who are friends in ministry and an encouragement to each other. Next month, we are planning a group ladies event. Please pray that many ladies will be able to attend. We are also working as a team to prepare for two weeks of teen camp in January and February. It has been almost three years since the last teen camp. We are so thankful that Covid restrictions are just about gone!

Missions Conference

Next month we are planning to hold Redemption's first missions conference, with a missionary coming from Cuzco and another from Honduras. It is our prayer that God would work in hearts and use us to have a part in carrying out His plan in other parts of the world.

We are so thankful for your sacrificial giving and praying; they are such a blessing to our family and ministry!

Resting in Him,

Robert & Sara Stover and Family
