# THE CAMPBELL FAMILY

## MISSIONARIES IN QUEBEC

It is definitely the busiest time of the year! Our newest addition to the family, Denver, was born September 30 and has certainly been the center of attention at home! The delivery and recovery went well, and Sarah and Denver are in good health. We thank God for this little blessing and pray that God will use his life in a special way for His glory!

We were blessed to have some of our family come and visit at Thanksgiving, and we had a wonderful week enjoying time together and playing in the snow. It is really nice to have the extra space in the house now, and it was put to good use during the holiday.

The children are progressing well in their homeschooling and we praise the Lord for good health this fall as well. There have been the normal colds that go around this time of year but so far we have been spared from anything serious. Thank you for keeping us in your prayers throughout the cold and flu season!

There has been a lot of new activity at church, which is always encouraging and at the same time is a challenge as we adjust to the new demands on our time and energy. We continue to have new visitors in our services almost every week.

The Lord brought to us a mom and her three children who are going through a difficult family situation regarding the father. Please pray that the Lord will sustain them and bring about reconciliation and healing in their home. The children are always so happy to be at church and the mom has found at loving support group in her new church family.

Another young mother, who we haven't seen in a few years, has recently come back and is attending faithfully with her three young ones. Please pray that her husband will come to church with them.

One of our members that faithfully brings her granddaughter to church was delighted when her daughter decided she would go to church with them. Please pray for Claudia as it is clear the Lord is working in her heart through the joyful faith she sees in her mother and in her daughter.

The Lord has added many new souls this year into our church family, but for many of them, their spouses do not come. Please help us pray for these families, that God will guide and strengthen them as they live out the gospel at home, and that the spouses will join them in following the Lord.

Continue to pray for Michel, who is growing in the Lord and is now preparing for a future ministry as the Lord leads him. We began organizing our first Bible institute course to start training him and any others who might be interested. We were amazed to have 15 others who also signed up for the class! We now have a good group of men and women who attend online and in person every Tuesday evening as pastor Guillaume Roy from our sister church teaches Old Testament survey.

Please pray for our Christmas service on December 18, that many visitors will come and hear the gospel and accept Christ this Christmas. We pray the Lord will bless you all abundantly. Thank you for your faithful prayers and support. MERRY CHRISTMAS!
