

# UPDATE HILL

## WINTER COMES EARLY...

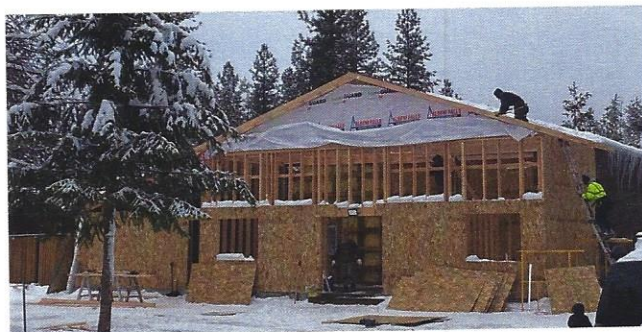

In October & November we have feverishly worked on our Church building, trying to complete our bathroom/nursery addition & new foyer, before the snow came. Unfortunately, winter came early. By God's grace that has not stopped our progress. We are so thankful for the faithfulness of our Church family to continue working in spite of our harsh weather conditions. Soon we will have it all closed in and will be able to complete our bathrooms which will be such a huge blessing.

Ever since we have moved into our new building God has sent us new visitors, giving us 1st time visitors in all but one of our services since September. We also have several families currently attending our Core Values class and are interested in Church membership. The Lord has really been blessing during this season. We are all exhausted each week when we come to Church after having built the building while maintaining our own lives, but every Sunday the Lord blesses us with His presence and give us the strength to keep moving forward.

We are so thankful for so many of you who have given to help us make the dream a reality and convert our new property into our Church home. We were recently in a Church Planting Conference at Calvary Baptist Church in American Canyon, CA where God gave us another \$10k to go toward our Church project. Praise His holy name.

We have seen \$35k come in so far and still need \$15k more to complete our project and finally have some Church bathrooms.

We are so excited about the opportunity to use this property for Jesus Christ. Already we have been able to add midweek services, our kids Bible club, & a young adults Bible study. God has already allowed us to fill up our auditorium and we have had to add 10 more chairs to accommodate all of the visitors. It is great to see God growing our Church family in the heart of winter. We are looking forward to a busy Christmas season as we celebrate the birth of Christ, as well as beginning our new year with our revival with Dr. John Goestch Jan. 8th -11th 2023

We are so thankful for all of your prayers and support. We know that we wouldn't be here without each & every one of you.
