Fellow Christian Soldiers,

November 2022

Psalms 95:1 "O Come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation". On the mountain top or in the valley God is worthy to be praised.

The month of August was crazy, but we saw the Lord's hand in every situation. In our last prayer letter, we mentioned Caleb's brother, Nehemiah, was getting married to his fiancé, Anna. The wedding went very well and we were able to spend time with family and friends. It was also a time of much needed rest and relaxation. On our way back home, we got stuck in Ohio as our car motor died and we had to take it to the nearest Kia dealership which thankfully was only eight miles away. Praise the Lord the new motor was covered under the factory warranty and after two months without our car, it is back home with a brand-new motor! This whole situation was exciting because through the "inconvenience" we got to see God provide our every need with money for a rental to get home and so much more!

We are seeing much steady growth in the men's ministry of the church; several men are growing in Bible study and teaching by taking turns teaching in our men's Sunday school class. Our men's fellowship supper and movie night went well. They enjoyed the great time of fellowship and was spiritually challenged by the movie in their personal life.

Several new people have started coming regularly. Connie, a widow, has been coming after being out of church for quite a while and is enjoying the church services and is also loving the opportunity to sing in the choir. Yvonne and her son Brian have started coming. Yvonne is asking for prayer that her daughter, who is fifteen and claims to be atheist, will come to church and be open to the gospel. Please pray for Dee who is a new Christian in Christ with a strong desire to learn and grow in God's Word. He is praying for his wife to start coming to church with him and for his son's family to receive Christ as their Savior. We are excited about Dee soon following in Believer Baptism as well as getting involved in the music ministry.

Caleb preformed his first wedding a few weeks ago for William and Ruth. Through prayer and discipleship God convicted them both that living together was wrong and they decided to do right before the Lord. We are looking forward to seeing what God is going to do in their family in the future.

Two highlights at the end of the year for our church is our outdoor Thanksgiving service where we have a bonfire and share how God has been good in our lives this year. Christmas Caroling and sharing the love of Christ in the community has always been a great time and we look forward to doing that again this year as well.

Please pray with us for a very personal need we have. As many of you know Caleb struggles with some health issues that he has had since birth. For several years, we have looked for a solution and help with some of these things and recently found something that seemed to work well! However, the insurance is refusing coverage on the surgery. We are praying that God will open the door with the insurance or help us to be able to cover it out of pocket. God is in control!

Gratefully Yours in Las Cruces,
