Dear Praying Friends and Supporters,

We are so incredibly grateful the Lord has given us the opportunity to return to Colorado as church planters. Jeremiah penned down in Lamentations 3:22,23 about the faithfulness of the LORD. We are reminded of His presence, resting in His promises, and running for His purpose. We can say along with Jeremiah in verse twenty-four, ***“The LORD is my portion, saith my soul; therefore I will hope in him.”***

The Lord has opened doors to present the work in 2022 and He is allowing us to fill up our calendar in 2023. Several churches that supported us in the past have quickly partnered with us again to reach souls in Colorado. Thank you for your faithfulness to God and your confidence in us. Would you prayerfully consider partnering with us so we may quickly and completely raise our support? We are praying for ten more churches to partner with us to be full time once again.

Our travels have taken us into FL, AL, GA, NC, VA, and MD. After our first trip we purchased a small trailer for deputation and still have a balance of \$2200.00. New prayer cards, mission display, and letterhead are the things we have been working on. Philip designed our new letterhead and Priscilla loves setting up and taking down the display table. Rebecca and Mark both were married this past year and are currently living in Georgia. We have added Virginia to our places of residence and enjoy learning little tidbits of history from locals.

We need your prayers now more than ever. Pray for the souls in Colorado because there are still places with no gospel preaching church and many churches with no pastor. On the verge of the return of our Lord and Saviour Jesus Christ, let us stand firm and faithfully proclaim the glorious gospel that can change lives for time and eternity!

Cultivating For Colorado,

Teddy Angel
