

Pray for **THE CULLERS**

MISSIONARIES TO TAIWAN

November- December, 2022

Dear Pastor and Praying Friends,

We have now entered a new year- 2023! We wish you all a year filled with God's blessings and fruit from your labors!

December was a very busy month for us. We started the public school Christmas programs on December 5th and ended on December 29th. Around 3,000 students and teachers heard the true meaning of Christmas. One school principal who sat through the entire program took the microphone after we finished and told the whole school, "We have all celebrated Christmas, but most of us didn't know the true meaning of Christmas!" What a privilege to be the first to tell others what Christmas is all about. Because we have gone to some of the schools before, when we get to what happened three days after Jesus was buried, it is not unusual to hear some child blurt out – Jesus arose!.

We are still working in two churches. Two young Taiwanese men are helping in the Mountaintop Baptist Church. We are hoping one of them will become the pastor soon. At the new church, Neipu Baptist Church, we are seeing visitors come and some are becoming regular attendees. We feel a couple of them are coming closer to salvation. Please pray for them and for this church as we become more established in this area. The two churches had good attendance for the Christmas meetings and both had first time visitors.

We plan for a three month furlough from April – June. If you would like for us to come update your church, please let us know by email. Since we will only be back for a few months, we will only be able to visit the churches who request a visit until our schedule is full. My email address is cullers.keith@msa.hinet.net.

Thanks each of you who sent special Christmas gifts to us. We are humbled by your love and care for us!

In Christ's Service,

Keith and Jeanette Cullers
