*Merry Christmas and a Happy and Blessed New Year!*

Dear Pastor and Praying friends,

Isaiah 9:6, "For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace." What a beautiful promise God gave us and what a joy to know that God did what He said He would do. I am so glad we can preach, worship, and sing that Jesus was born just as God promised. Because God's promises are true, we can preach that Jesus saves!

It seems once again another year has gone by so very quickly. We want to say thank you again for all your prayers, love, and support for our family, and our ministry. There is nothing greater than serving the Lord together, spreading the Gospel message, and preaching the reason for this season. Let's pray for each other that we can make the most of this time when people around us are thinking a little bit more about Jesus. I know many are caught up in the gifts and other things, but it is a great time to ask them if they have received the special gift of salvation.

Pray for all the missionaries because during Christmas plays and other special services; sometimes it brings family member to church that might not come any other time. Pray that their hearts will be touched, eyes will be opened, and that people will realize their need of a Saviour. God can use a grandchild, a niece, a nephew, or some other invitation to bring someone to a place they can hear of the love of Christ.

The missionaries in Mexico and Central America are especially busy during Christmas time. The people around them know something about the Christmas story, but so many don't truly know why Jesus came. Pray as they share the Gospel, especially to those that may come for the first time. Oh, the joy of sharing the message that Jesus came to save us from our sins!

We have shipped out a very large number of Gospel tracts over this year. We ask that God would use them as seeds, planted in the hearts of many souls. We thank each of you that pray for the printing ministry and those that support it financially. You do make a difference. God promises His Word will not return void.

Your grateful missionary friends,  
Fred and Sherry Kindhart
