November - December 2022 Prayer Letter

Dear Friends and Family,

“The LORD redeemeth the soul of his servants: and none of them that trust in him shall be desolate.” – Psalm 34:22

In these days of celebration of the birth of our Saviour, the Lord Jesus Christ, I am reminded of the reason for that birth – our redemption that was wrought on the cross of Calvary. As the verse above reminds us, no one who trusts in Him shall be left desolate. God is good to his people all the time!

Ministry News

This has been a very active past two months. Lisa and I traveled to Chiclayo, Peru where I preached, and Lisa taught ladies for a church anniversary. It was such a blessing. One lady was saved, and we rejoiced in the

meeting. After this, we traveled to our mission church in the jungle city of Pucallpa. We had two Deaf saved during that visit. We were pleased to have a wonderful meal and “chocolatada” (hot chocolate and panettone) for those who came. Please pray for that work as we have no permanent pastor there at this time and leaders from Efata here in Lima have to travel there every week to preach and teach.

Here at Efata we had several wonderful activities for Christmas – dinners, chocolatadas, gift exchanges, fellowships and family events. On Christmas Day Sunday we were privileged to baptize two hearing young people and one Deaf young man.

During these months I preached two funerals where we passed out dozens of Gospel tracts. One was for a faithful older saint of our church and the other a close family member of a family we are discipling.

In November we celebrated Thanksgiving with a wonderful turkey dinner for all the staff folks here at Efata. It was a very special time. We also had our annual planning meeting and are looking forward to a full year of evangelism, conferences and activities for the church and our community as the Lord wills.

Family News

The family is doing well. It is still odd to me to only have three children still in the home. Every evening when we come together for dinner, I sense an absence at the table. It just does not seem full. Of course, this is a normal part of life, but it is still odd for me. I am glad that several of our children were able to meet together over the holidays. We had a nice Lasagna Christmas dinner with our kids and Joseph’s family.

I would like to thank all of you who have sent extra support during these days to help with the dinners, for special projects and for our family for Christmas. The care for us and for others in our ministry greatly encourages our hearts.

We covet your continued prayers for our family and the work of God that we are privileged to be co-laborers together with you in here in Lima, Peru.

We are always very thankful for your prayers, friendship and financial support.

Blessings,

Joe & Lisa
