Missionaries to Argentina

November & December 2022

Greetings from Argentina,

We hope that you had a great Christmas and a happy New Year. We pray that God will bless you and use you greatly in this new year for his glory. My wife and I are doing well and had a wonderful Christmas time with our family and the family in Christ. We are very happy for the privilege we have to serve God in Argentina, and our desire is that God will use us so that many souls will be saved this new year for his glory.

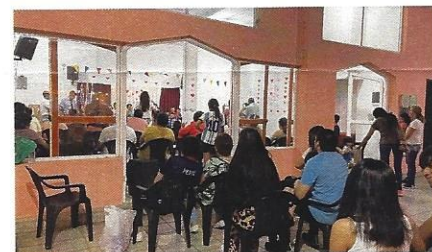

A few months ago, God opened doors with your help for us to start the Monte Zion Baptist Church in Termas del Río Hondo. We praise God for helping us to grow and to serve the Lord in Termas. In November and December, by the grace of God, we had around 100 adults and children in attendance at our services. We also had special services for Christmas and New Year's, which brought many people to church for the first time. We continue to win souls by going house to house, and we disciple the new converts. We praise the Lord that the brothers and sisters are growing in the Lord. It's exciting to see the Lord working in people's lives.

It is summer in Argentina. December, January, and February are the hottest months of the year. The temperatures can reach around 115°F. We had meetings with very high temperatures, but we thank God that we have been able to purchase two large fans. In these months, there are no jobs in Termas de Ríos Hondo, so many people go to other cities to the south of us to work. Then they return in March. Some brothers in our church had to leave the area to go to work this summer. Pray for God to help us, and pray that we can continue forward despite these difficulties. We know that we are not alone. God is with us.

In the month of December, we had a big conference in the church that my father started. We had services with over 1,000 people in attendance, and many accepted Christ and surrendered to serve the Lord full-time.

We want to thank you very much for praying for us, for your faithful financial support, and for your letters and Christmas gifts. We appreciate it all very much. May our Lord Jesus Christ continue to bless you. We love you in Christ!

Yours in Christ,
Joshua and Abi Owens
