CARRYING THE GOSPEL OF CHRIST TO THE ISLANDS OF  
**PAPUA NEW GUINEA**

January 2023

Dear Friends,

Give God all of you. Let God get the most He can out of your life. In Psalms 90:12, David writes, "So teach us to number our days, that we may apply our hearts unto wisdom." Understand the disparity between the length and nature of our eternal life and our earthly life. We get to spend 70 million+ years reaping the fruits of our labour for the kingdom, but we only get around 70 years on this earth to sow for that kingdom. Let's get to work! The labour is only for a little while, but the treasures are eternal! Let God use you today!

We praise the Lord for allowing us to serve Him in PNG. New Home Baptist Church continues to see new faces, and several have professed salvation recently. We were finally able to purchase a church vehicle, and it is a great blessing to be transporting people to church again. The Lord has recently opened the door for a new outreach in a neighboring village called Gadudu. We go every Sunday afternoon and set up a small tent and sing and preach. This is exactly how New Home started, so there is a possibility of another church being planted there in the future. We were blessed to go to Normanby Island a couple times in December to encourage brethren in some remote areas. The Lord continues to give utterance, and we are anticipating great open doors from God in this new year!

We do ask that your pray specifically for healing in our church. There is much sickness going around, and the hospitals are short on medicine. Please pray for our people to receive a special touch from God in these illnesses.

We appreciate you all for praying for our family and faithfully supporting us in our efforts to reach our corner of PNG. The Lord is up to something, and we are rejoicing to watch Him work!
