

FEB 2023 THE HILL FAMILY

Church Planting Missionaries to North Idaho

God is moving

The beginning of 2023 has simply been a continuation of God's miraculous blessing. As many of you know we were able to purchase some property in September of 2022 with \$100k down, (which God miraculously provided, but we would need \$50k more to finish the down payment by the end of February 2023. God has provided. In January at the Heartland Church Planters Conference we heard from the Church Planting ministry of Jehovah Jireh that we had been approved for \$70k to cover our down payment and go towards our building project! The Lord also allowed us to raise an additional \$38k at the Conference to allow us to complete our much needed renovations. Ain't God Good!!!! Since then our Church family has been working feverishly to complete the Church apartment, which my family and I were able to move into this month. What a financial blessing this will be to help us continue to minister and reach North Idaho for Christ.

This Month

We've seen over 20 different visitors

We've added a new family to the Church

God has provided \$108k to help us purchase and renovate His house.

Next Month

We will have our 2nd annual Missions Month

The Godfrey's to Wallace, Idaho will be with us.
