

The Angel Family Church Planters In COLORADO

January/February 2023

Dear Praying Friends and Supporters,

God reveals the blessing of obedience to the children of Israel in Deuteronomy 28:12, "The LORD shall open unto thee his good treasure..." The LORD has truly blessed our step of faith in returning to Colorado by opening specific doors, opening special hearts, and opening supportive eyes.

We are amazed at the doors God has opened for us to share our burden for Colorado. Our calendar continues to fill up for 2023 and we are looking forward to setting a specific return date in the days to come. The need for churches here in the United States is more apparent and acknowledged by pastors which allows doors for support to open more quickly. We have enjoyed seeing friends who have been smiling and serving Jesus since we were small children. It is a blessing to see they are still smiling and loving Jesus.

Please pray for Keith who has confessed what he has will not take him to Heaven. He is a professing Catholic that I have spent many hours sharing the gospel and answering Bible related questions. Another person to pray for is JR, yes that's his name. He does not have assurance and only hopes he is going to Heaven. Pray for the convicting, converting, and comforting power of the Holy Spirit. Pray for these special hearts to receive God's perfect gift.

The Lord allowed six churches to partner with us and many more who are prayerfully considering what God would have them do. Thank you to the pastors who have reached out to us by faith and believe in the ministry God has given to our family. We are eternally grateful God is raising up workers to come help when we start in Colorado. We desire confidence, compassion, and courage as we travel the roads and present the burden for souls in Colorado.
